August 8, 2024

Dear Friend of the Scleroderma Foundation of California,

We are very excited about the Scleroderma Foundation of California's upcoming Scleroderma Community Day as we take A Million Steps for Scleroderma. We are working harder than ever to make this an extra special event for everyone, a fun-filled family event! We'll have music, kids activities, games, vendors, and more.

Scleroderma is a chronic, autoimmune disease similar to multiple sclerosis, lupus, and rheumatoid arthritis, yet less well-known. It affects more than 300,000 people in the United States, and there is no known cause or cure. Unfortunately, many suffer from this disease for years before being diagnosed, and it can take several years to find the medical, educational, and social support that is desperately needed. Symptoms vary from mild to life-threatening and can be in the form of stiff and deformed hands, gastrointestinal issues, lung complications, extreme fatigue, chronic pain, and other life-altering manifestations.

We need your help ...

We are writing to request your assistance in making this year the most successful year to date. There are many ways you can participate, either with sponsorships or donations. All efforts support our mission to EMPOWER the scleroderma community to live BETTER lives through programs dedicated to SUPPORT, EDUCATION, and RESEARCH.

Please keep in mind that no contribution is too small. The cost for a booth space is only \$100 with an option to rent a booth package for an additional \$50 that includes 1 table, 2 chairs, and bring your own tent. We have several sponsorship levels to add to your space that are available from \$10,000 Presenting sponsor, \$5,000 Platinum, \$2,500 Gold, \$1000 Silver, \$500 Bronze, and \$200 T-Shirt sponsor. Benefits vary at different levels and include a company logo on t-shirts, advertising on the event website, recognition in press releases and event mailings, posts on Facebook, and registration for a specified number of walkers (please see separate sheet with sponsorship level details). We are also accepting donations for raffle prizes. This can be a product from your company or sports game tickets, restaurant certificates, vacation getaways, or any other fun item or event. All sponsorship applications are due by September 20, 2024, and must be emailed to AEmmett@myscleroderma.org. Payment will be accepted via check or credit card.

The Scleroderma Foundation of California is an organization that is dedicated to answering the concerns and needs of those living with scleroderma by offering tangible programs and services to patients, their families, and friends. These services are critical for scleroderma patients who often go undiagnosed or misunderstood. Additionally, the Foundation funds leading research to find the cause of and ultimately the cure for this often debilitating disease. Will you please join us and be part of improving the lives of those affected by scleroderma?

From the time you make your donation until shortly after the event, we will consistently promote your business. We thank you in advance for your generosity and appreciate the time and consideration you have given to this request. Please feel free to contact me with any questions at 424-227-6475 or aemmett@myscleroderma.org

With sincere gratitude,

Andrew Emmett
Executive Director
Scleroderma Foundation
of California
